

Recommendation Letter

February 6, 2025

Dear Admissions Committee,

It is my pleasure to write this letter of recommendation for Mingyeom Song. I highly recommend her for the Game Design program at Vancouver Film School.

Mingyeom's academic journey is particularly impressive. She initially majored in Landscape Architecture at Kyung Hee University before transitioning to Digital Content, where she quickly distinguished herself. Despite switching disciplines, she earned a semester scholarship in her first semester due to her exceptional academic performance. She maintained an impressive final GPA of 4.05/4.3 and graduated with the highest grades in her final semester, demonstrating both her adaptability and determination.

Mingyeom was an outstanding student in my Media Design Project class, showing exceptional creativity and leadership. She meticulously designed the world-building for a cooking fantasy game, incorporating unique creatures and a compelling storyline. Notably, she translated her ideas into detailed concept sketches and worked effectively with the art team to refine the game's visual elements.

Additionally, she compiled the project's world-building and assets into a design artbook, demonstrating her ability to bring a vision to life. Despite working on a large-scale project with a small team, she remained diligent and committed, ensuring the project's success. Her efforts were recognized with the Outstanding Award at the Graduation Exhibition.

Mingyeom seamlessly combines creativity with execution. She generates innovative ideas and develops concrete plans to bring them to life, working closely with her team to achieve high-quality results. Her ability to oversee a project's overall progress and take on leadership responsibilities is particularly impressive.

I am confident that Mingyeom will excel in the Game Design program at Vancouver Film School. Her creativity, leadership, and collaboration skills will be invaluable both in her studies and in her future career in the game industry.

Please feel free to contact me if you need any further information.

Sincerely,

A handwritten signature in black ink, appearing to read "Hye Kyung Kim".

Hye Kyung Kim

Professor, Department of Digital Contents

College of Art & Design, Kyung Hee University
