

Recommendation Letter

2024.12.04.

To Whom It May Concern,

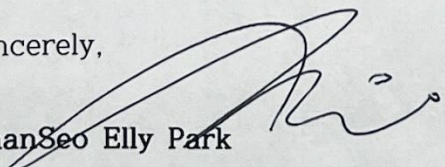

It is my pleasure to recommend Song Min Gyeom, who participated in the Career Development Class from September 3 to December 18, 2024. During this time, she distinguished herself as a dedicated creative and highly professional student.

I had the honor of teaching Min Gyeom and was consistently impressed by her exceptional commitment to her studies. She demonstrated a strong work ethic and consistently went above and beyond in completing assignments, displaying not only a thorough understanding of the material but also an impressive ability to apply concepts in innovative ways.

What truly sets Min Gyeom apart is her professionalism and integrity, in addition to her academic and creative strengths. Her positive attitude and collaborative spirit made her a pleasure to work with and an invaluable member of any group or team project.

I wholeheartedly recommend Song Min Gyeom for any opportunity she seeks. Her self-motivation, drive, and well-rounded skill set make her a valuable asset to any organization. Should you have any questions or require further information, please feel free to contact me at elly1117@korea.ac.kr.
